

Catholic Schools Week

UNITED IN FAITH AND COMMUNITY

Celebrate fellow students during Catholic Schools Week through meaningful activities and recognizing accomplishments. Reflect on the benefits of your Catholic education and how, by learning, serving, and leading, you and your classmates will succeed throughout your lives.

TUESDAY: CELEBRATING YOUR STUDENTS

Activity: Team up with another class in your school, and write a letter to your school pen pal. Letters could include encouraging notes, ideas for how you can share your faith, and ways you can support your school family.

Large empty rectangular box for writing a letter.
